

JTAC Update

Clerks' Association

2006 Annual Meeting

Mary L. DePrez

Director and Counsel for Trial Court Technology
Judicial Technology and Automation Committee

JTAC's Mission

To help courts and clerks use technology to better serve the citizens of Indiana

- Standardize technology
- Seek funding
- Provide training and equipment
- Link 92 counties with a 21st Century Case Management System that serves courts, clerks, state agencies and the public.
